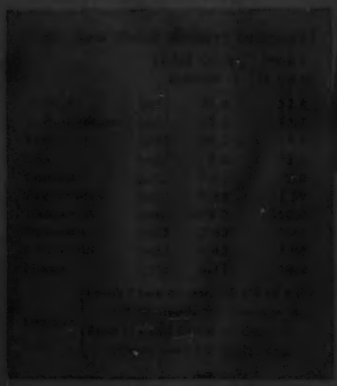
You can recommend PARD in exactly these words! It's a statement of fact...

"When you feed Pard—you

FEED YOUR DOG AS WELL AS YOU FEED YOURSELF!"

It's true, and the table below proves it. Every can of PARD gives a dog as much nourishment as you get in this hearty, nutritious lamb chop dinner!



And only Pard can give you this *added* assurance: for 15 years in Swift's own research kennels, *eleven* consecutive generations of dogs (over 1300 dogs, over 250 litters!) have been raised all their lives on a diet of Pard alone, have never known any other food. And they have thrived, full of health, life and vigor, on this single, *complete* food . . . with normal reproduction.

Here's proof . . . GENERATIONS of it . . . that when a dog is fed Pard he needs nothing more. And he can get nothing better!
